Raw Fish

Vico Sea (for 2 people) **140** raw fish tasting for two people

A journey through the purity of the sea,
interpreted according to the vision of Vico Astemio.

Nine passages dedicated to raw
Mediterranean fish and shellfish, served harmoniously with
Campanian citrus fruits, aromatic oils, wild herbs,
and hints of sea salt.

Each taste tells the story of a unique encounter: the sweetness of raw meat, the
freshness of vegetables, the natural flavor of the sea.

A journey that speaks of lightness, balance, and local tradition, where the raw
ingredients become emotion, and the sea,
naked and sincere, reveals itself in all its essence.

Sea Transparency **38** Selection of raw fish served pure with citrus notes, extra virgin olive oil and Maldon salt crystals.
